The second section describes the remuneration paid in the year ended on 31st December 2016 (the “**Year**”) to members of the Company’s management and control bodies. This section includes all those persons who were members of the management and control bodies or key executives during the Year.

A general meeting of the Issuer’s shareholders has been called in first call on 20th April 2017, and as necessary in second call on 27th April 2017, to adopt a resolution (pursuant to paragraph 6 of article 123-ter of the TUF) in favor of or against the first section of the Report. Such resolution, though, is not binding.

SECTION I

a) *Bodies or persons involved in preparing or approving the remuneration policy.*

Establishing the Issuer's remuneration policy is the result of a process involving the shareholders' meeting (the "**Meeting**"), the Board of Directors (the "**Board**") and the Remuneration Committee (the "**Committee**").

Pursuant to article 2364, paragraph 1.3 of the Italian civil code, the Meeting has responsibility for adopting resolutions on the remuneration due to the directors and statutory auditors. It adopts resolutions in favor of or against the Report.

The Board sets up internally the Committee made up of independent directors. On the proposal of the Committee and after consulting with the board of statutory auditors, the Board establishes the policy for remunerating directors and key executives. The Board approves the Report.

The Committee carries out a regular assessment of the adequacy, overall consistency and practical application of the policy for remunerating directors and key executives and the formula on the remuneration policy to be adopted that is proposed to the Board, and reports to Shareholders in general meeting on the way it has exercised its functions.

b) *The possible intervention of a remuneration committee or another committee having competence in this matter.*

At its meeting on 23rd April 2014 the Board appointed the Committee responsible for the functions as per article 6 of the Borsa Italiana S.p.A. Corporate Governance Code (the "**Code**") and confirmed in their office the Committee's members formerly elected in the meeting held on 26th March 2012.

The Committee consists of three independent non-executive directors, Matteo Marzotto, the Committee's Chairman, Candice Koo and Andrea Pontremoli. All the Committee's members hold the independence requirements listed in article 3 of the Code in addition to the requirements listed in article 6 of the Code; on such confirmation, the Board assessed that the knowledge and experience of all the Committee's members in accounting and financial matters and in compensation matters was adequate. The

(COURTESY TRANSLATION FOR THE CONVENIENCE OF INTERNATIONAL READERS)

Committee remains in office until the approval of the Issuer's financial statements for the year ending 31st December 2016.

The Committee met once during the Year, on 8th March 2016. The meeting, which was chaired by Matteo Marzotto as Committee's Chairman and duly minuted, lasted about 1 hour and was attended by all of the Committee's members, together with the Standing auditor Mr. Lorenzo Ravizza, the General Counsel Mr. Giuseppe Labianca, the Head of the Internal Audit Office Mr. Andrea Edoardo Gentile and Ms. Tania Orrù for the Legal Department, who have been invited by the Committee. The Discussion, directed by the Committee's Chairman Matteo Marzotto, focused on the remuneration report for the year 2015 and on an the analysis of the Issuer's remuneration policy for the Year. To this end the Committee was able to access information useful for performing its duties, together with the relevant corporate functions.

The Committee has no budget, nevertheless Company's financial resources, means and structures are at complete Committee's disposal for the pursuit of its institutional goals and in order to meet its operational needs, also where such needs include consultancy services from third parties, whose fees are borne by the Company.

In 2017, a meeting has already been held on 9th March.

c) *Name of independent experts who may have been involved in preparing the remuneration policy*

No independent experts were involved in preparing the Issuer's remuneration policy.

d) *Objectives pursued with the remuneration policy, underlying principles and any changes in the remuneration policy compared to the previous financial year.*

The aim of the Issuer's remuneration policy is to attract, retain and motivate people equipped with the professional qualities needed to manage the Issuer and continue to manage it successfully. At the same time the Issuer's remuneration policy pursues the priority objective of creating value for shareholders in the long term and from the standpoint of economic sustainability of the policy for the Issuer.

The underlying principle of the Issuer's remuneration policy is to pay remuneration that is fair and commensurate with the commitment required of the Issuer's directors and key executives. In principle, remuneration does not consist of a variable component (except for what provided below at lett. e)). It is

(COURTESY TRANSLATION FOR THE CONVENIENCE OF INTERNATIONAL READERS)

believed indeed that a fixed remuneration is more in line with the principle of a healthy and prudent management of the Company, a principle that underlies the work performed by the Issuer's top management and fits in with the objective of value creation in a long-term perspective. Nevertheless, it can be evaluated the opportunity to implement variable components in the remuneration of some Directors, with criteria aimed to ensure the correlation between remuneration and Company's performance, as already provided for Director Luca Lisandrone.

There have been no significant changes in the Issuer's remuneration policy compared to previous years.

e) *Description of policies on the fixed and variable components of remuneration.*

The Issuer's current remuneration policy provides exclusively for a fixed component in the remuneration of directors and key executives, except, as said, for Director Luca Lisandrone.

At the meeting held on 8th March 2016, after consulting with the Board of Statutory Auditors, and accepting the proposal of the Committee, the Board approved a resolution on the remuneration due to Directors having special duties, maintaining unchanged, compared to 2015, the remunerations of the Chairman of the Board of Directors and Chief Executive Officer, the Independent Directors and the members of the Control and Risks and Remuneration Committees.

The Board therefore allocated a fixed amount of remuneration to the Chairman and Managing Director, Cav. Lav. Brunello Cucinelli, for his position as Chairman of the Board of Directors, and a further fixed amount of remuneration for his position as Managing Director of the Issuer, plus a Board of Directors' attendance fee. Further information in this respect can be found in table 1.

The Directors Moreno Ciarapica, Giovanna Manfredi, Riccardo Stefanelli, Camilla Cucinelli, Luca Lisandrone and Giuseppe Labianca waived, at the same time of their appointment, any specific remuneration for their position as director, since the remuneration for their activities performed as a director of the Issuer and in similar positions held in other companies of the Issuer's group is absorbed by the remuneration due to them as executives. As a result, therefore, these people are only paid an attendance fee for their position as directors as described above, together with their gross annual remuneration as employees of the Issuer, as shown in further detail in table 1 of this Report.

(COURTESY TRANSLATION FOR THE CONVENIENCE OF INTERNATIONAL READERS)

At the meeting held on 8th March 2016, the Board confirmed a fixed annual amount of remuneration to the independent non-executive Directors Matteo Marzotto, Candice Koo and Andrea Pontremoli, plus an attendance fee as described above, thus maintaining unchanged the remuneration policy adopted for the year 2015. Further information in this respect may be found in Table 1; it is worth noting that such fixed annual amount shall be subject to annual appreciation by 2% (two per cent), or the higher retail trade index percentage variation assessed by ISTAT.

In regard to the remuneration paid to the members of the Remuneration Committee, the Board adopted a resolution to pay an additional fixed annual amount for the Year to the Chairman, Matteo Marzotto, and to each of the other committee members, Candice Koo and Andrea Pontremoli.

As far as the remuneration of the members of the Control and Risks Committee is concerned, the Board recognized an additional fixed annual amount for the Year to be paid to the Chairman, Andrea Pontremoli, and to each of the other committee members, Matteo Marzotto and Candice Koo, maintaining unchanged the remuneration policy adopted for the year 2015.

As stated above at point d), the Issuer's remuneration policy, in principle, does not provide for a variable component of remuneration for directors or key executives (nor in general for other executives). The only exception is represented by the remuneration of Director Luca Lisandrone, which includes – starting from 1st January 2017 – a variable component in addition to the fixed one. The two components, fixed and variable, are fairly balanced according to the strategic goals and the Issuer's policy of risks management, also taking into account the field and the characteristics of the activity of the Company. It is understood that the fixed component is in any case sufficient to remunerate the performance of Director Lisandrone, also in case of non-payment of the variable component due to a failure to achieve the applicable parameters.

The payment of the variable component – for which a cap is provided – is linked to the achievement of pre-determined parameters, defined in order to remunerate the performance in an horizon of short and medium-long term, on the basis of quantitative annual results, of financial and economical nature, achieved by Brunello Cucinelli Group.

Such results are (i) the consolidated EBITDA of the Group, (ii) the sale performance of directly operated stores in a determined period (the so-called "like for like") and (iii) the profitability performance of newly

(COURTESY TRANSLATION FOR THE CONVENIENCE OF INTERNATIONAL READERS)

opened directly operated stores – starting from the date of hiring of Director Lisandroni¹ – calculated as a ratio between the lease cost and the revenues of each point of sale.

No claw-back clauses are provided for. Such clauses would have allowed the Company to ask for the restitution of all or a part of the variable components (or to hold the payment of deferred amounts) paid on the basis of data then discovered to be manifestly erroneous. The non-provision of claw-back clauses is also due to the fact that the accounting and financial data (the latter ones certified by the auditing firm) on which basis is calculated and, if it is the case, paid the variable component, are processed and calculated by Company's departments not depending from Director Lisandroni.

At its meeting of 9th March 2017, the Committee approved this Report.

f) *Policy followed with regard to non-monetary benefits.*

The Issuer's remuneration policy does not provide for the payment of non-monetary benefits to directors or key executives.

g) *Description of the performance objectives underlying the granting of the variable components.*

The performance objectives set out for the payment of the variable component of the remuneration of Director Lisandroni are described at the letter e), to which reference is made. Equally, no incentive mechanisms are envisaged for the head of the internal audit department or for the manager in charge of preparing the corporate accounting documents.

h) *Criteria utilized for assessing the performance objectives underlying the granting of shares, options, other financial instruments or other variable components of remuneration.*

There are no performance assessment criteria, since the granting of shares, options or other financial instruments on the basis of such an assessment is not envisaged.

¹ Luca Lisandroni has been hired by the Company on 11th April 2016 and has been appointed Director by the Meeting held on 21st April 2016.

i) *Information designed to show the consistency of the remuneration policy with the pursuit of the company's long-term interests.*

The Issuer's Board of Directors has adopted a remuneration policy that is consistent with the pursuit of the Issuer's commercial and financial objectives in the medium term but especially in the long term. As stated at point d) above, the Issuer's remuneration policy, in principle, does not provide for variable components in the remuneration of directors and executives as it is believed that this is more compatible with the principle of a healthy and prudent management of the Issuer. Also the only one variable component provided for, as of today, by the remuneration policy of the Company is consistent with the principles and objectives of the remuneration policy of the Company referred to in subparagraphs d) and e) of the Report.

j) *Vesting periods and any deferred payment schemes.*

No vesting periods for remuneration are envisaged.

k) *Information on any clauses requiring the holding of financial instruments after acquisition.*

There are no clauses regarding the holding of financial instruments.

l) *Policy relating to the treatment envisaged if a position is no longer held or on termination of the employment relationship.*

No policies have been adopted regarding the treatment envisaged on the termination of the employment relationship with directors and key executives or if they no longer hold their position.

m) *Information on any non-compulsory insurance, welfare or pension coverage.*

The Directors Moreno Ciarapica and Luca Lisandrone are members of the "Previnda" fund as far as non-compulsory welfare coverage is concerned. This fund provides for a monthly payment of a sum of money designed to supplement the employees' leaving entitlement (the Italian *trattamento di fine rapporto*). The Issuer pays 50% of this amount.

(COURTESY TRANSLATION FOR THE CONVENIENCE OF INTERNATIONAL READERS)

The Issuer has taken out insurance to cover the civil liability of directors, including independent directors, and the other corporate bodies of the Issuer and its subsidiaries.

n) *Any remuneration policy followed with regard to independent directors, membership of committees and the performance of specific duties.*

The Issuer's remuneration policies with regard to the independent directors, membership of committees and the performance of specific duties are discussed at point e) of this Report, to which reference should be made.

o) *Any other companies used as a reference for establishing the remuneration policy.*

The remuneration policies of other companies were not used as a reference in drawing up the Issuer's remuneration policy.
